

What Is Embracing Purpose?

A bible-based study with 10 lesson & 10 video messages designed to help you discover and embrace your God-given purpose based on your God-given design.

Who is EP for? For anyone who...

- Is restless, discontent and failing to thrive at some level
- Is asking tough questions like, *Is this all there is? Why am I here?*
- Wants to make a difference but doesn't know how
- Desires to partner with God in something eternally significant and soul-satisfying.

You were uniquely created to uniquely contribute to your corner of the world. Deep down you know it's true but how do you get there? When you find your God-given purpose, your good works prepared beforehand, you will never again feel like something's missing.

Best experienced in a small group, the 11-week study explores four key questions:

Who am I?

What am I to do?

How & where am I to do it?

What keeps me stuck?

When completed you will have a

- Keen understanding of your unique **Design and Purpose**,
- The beginnings of a **Purpose Plan** and
- Great clarity about **Common Roadblocks** on the path to Purpose.

Church leaders, imagine what would happen if the women in your body began to live with intention ...if they allowed God to use their gifts and time to make a kingdom difference in your church and community... if they began to glorify the Father by accomplishing the work He's giving them to do.

How is EP different from other studies on Purpose?

The secret sauce lies in ...

- **The self-discovery process:** In addition to Bible study, each lesson has exercises to help you self-discover how God designed you as a unique individual. You'll explore core values, favorite verbs, key relationships, personality, spiritual gifts, wounds from the past and much more. All offer clues to your purpose.
- **The small group experience:** By far the best way to work through EP is in a small group setting. The rich relationships you form provide you with the feedback, affirmation and courage you need to act on what you learn. There, the Holy Spirit's activity is most apparent as He moves in the group.

What's the cost & time commitment?

Cost for group member: \$22 (plus shipping) for workbook & \$15-\$20 for online personality inventory in lesson 5 (paid with credit card). Total \$37- 42
